POLICIES

I divide the year into three semesters:
Fall=mid-August through December
Spring=January through May
Summer (optional)=June-mid August

TERMS OF PAYMENT:

Monthly tuition is due by 1st lesson. Private lessons are \$25/lesson. Group lessons are \$15/lesson. A late fee of \$15 will be charged for payment after the 15th of the month.

A \$25 materials/studio/recital fee is charged with tuition two times a year in September and January. I waive this fee if there is money leftover in the student's account.

CANCELLATIONS:

I run a full studio with a very tight schedule. Students are required to be on time and present at each scheduled lesson. Each month you are charged for scheduled lessons, regardless of how many lessons attended. Refunds are very rarely given. If the missed lesson is my fault, I will always compensate you.

If you need to miss your lesson:

I can teach a lesson virtually during your student's time slot if that is an acceptable solution.

You can talk to other students in the studio and see if someone can switch you to a time that works for you.

If neither of these solutions work for you, I will record a video lesson during the student's missed lesson time and give assignments for the next week. During practice time, students can watch the videos, record responses, and send them back to me.
